

Gentlemen,

I am receiving ongoing invitations and notifications of up-and-coming Golf Club Vets/Seniors Opens/Invitationals, which I have promised those Vets Captains I will circulate the details and information to our membership.

Therefore, I shall be sending you a few future emails that will refer to them for your consideration.

Just to say, I know how hard it is for Vets Sections to organize these occasions and often it is to support a worthy charity that is special to those clubs and golfers. So please consider them favorably and if you are interested and want to enter do get in touch with them directly or let me know and I will act as a go between for you.

Attached are the flyers with detailed information for two that are coming up, but briefly here are the topline details.
